Stas Bratanich

Software Engineer

0528995966 – bstasb@gmail.com – LinkedIn/StasBratanich – GitHub/StasBratanich

Highly motivated Computer Science graduate with a strong foundation in software, mobile and web development, continuously expanding my technical expertise and eager to learn new technologies in a fast-paced agile development environment.

EDUCATION

- 2021 – 2024 – BSc Computer Science – HIT – Holon Institute Of Technology
- 2017 – Bookkeeping course 1 + 2 – The College Of Management

SKILLS

- Programming Languages – Java, C, C++, C#, Python, Kotlin.
- Web Technologies – HTML, CSS, JavaScript.
- Mobile App Development – React Native, Android Studio.
- Database Systems – MySQL, Firebase, MongoDB.
- Personal skills – Problem solving, Teamwork, Quick learner, Time Management, Attention to details.

PROJECTS

Restaurant Management System – Java - Object Oriented Programming (OOP)
- Efficiently managed menu items, customer orders, and user information using a JSON file-based database.
- Utilized Object-Oriented Programming (OOP) principles to ensure maintainable code.

Object Oriented Pizza (O.O.Pizza) – C++ (MFC)
- Developed an interactive pizza ordering system using C++ and Object-Oriented Programming (OOP) principles within Visual Studio.
- Users can customize their pizza orders by selecting the quantity and toppings with a dynamic visualization of the pizza, similar to popular ordering platforms.
- Created a user-friendly interface and clean, maintainable code for optimal user experience.
-

Android GamerGalaxy - Java
- Enhanced the gaming experience with detailed game information including images, trailers, and descriptions.
- Managed a personalized list of favorite games.
- Integrated Firebase and API for real-time data management, developed in Java using Android Studio.

PROFFESIONAL EXPERIENCE

Ra'anana patrol unit – Supervisor – 2019 – 2024
- Guided the new manager on department procedures, protocols, and workflows.
- Served as a focal point for providing crucial medical and security assistance to local authorities and residents

LEASE4U – Bookkeeper – 2017 – 2019
- Identified and resolved discrepancies through data analysis.
- Contributed to the development and implementation of financial strategies, resulting in a 15% increase in revenue and improved debt collection.

MILITARY SERVICE

- **Golani Brigade** - Combat commander, Full military service

LANGUAGES

- Hebrew – Native
- English – Full Professional Proficiency
